

TEXAS-MEXICO

TRADE COALITION

The **Texas-Mexico Trade Coalition (TMTC)** represents businesses and associations across the state of Texas and Mexico who are dedicated to fortifying the strong economic relationship between the U.S. and Mexico. Together, we are working to improve upon, strengthen, and modernize NAFTA and reinforce the importance of NAFTA on the economy, job creation, and our communities. By mobilizing business leaders from both sides of the border, TMTC will work with Congress and the Trump administration to ensure that Texas and Mexico continue to benefit from each others deep economic ties as we build NAFTA 2.0.

A total of \$177 billion worth of trade between Texas and Mexico occurs each year.

Since the enactment of NAFTA, Texas's exports to Mexico have increased by 354.7 percent and reached \$92.7 billion last year.

Exports to Mexico made possible by NAFTA represent 39% of Texas' annual exports around the world.
